Functional service trousers with numerous functional details. Fabric made of comfortable 4-way stretch for better fit and greater freedom of movement combined with cotton lining for maximum comfort. Trousers have ergonomically designed knee section. Two spacious front cross-pockets. Two back pockets. Two thigh pockets with zip closure. Thigh pocket on left leg has an extra mobile pocket. On the right leg, the thigh pocket has an extra insert for added width and an extra inner pocket. D-ring on the front for attaching an ID card or other item. Buttons for easy mounting of hanging pockets. The trousers have an extra deep hem so the length of the trousers can be increased if required. A single seam is extended to provide extra leg length, while the seam stays sealed.
