4288-192

Safety+ welder's boiler suit

Size	EN	XS-6XL / (S)XS-(S)6XL
	UK	XS-6XL / (S)XS-(S)6XL
Quality	99% cotton / 1% antistatic fibre, 350 g/m ²	
Colours	6 Marine	
Wash		

Flame-resistant boiler suit with double button placket and concealed press studs at the front. Chest pockets with flaps with press studs. Adjustable cuffs with press studs. Pleats and ventilation in back for better comfort. Elastic in waist. Cross pocket in the side. Back pocket with reinforcement and flap. Ruler pocket. Thigh pocket with box effect for extra spaciousness. In addition, the thigh pocket has a loose bottom for increased freedom of movement. Knee reinforcement/knee pocket with bottom Velcro closure and adjustment options for knee pad. Well thought-out design details on pockets and pleat prevent embers from settling on the fabric. Suitable for industrial laundering.
