

# About Us

MHS International (UK) Ltd is proud to be one of the leaders in the PPE & workwear clothing industry. All our products are manufactured in our purpose built factory in Asia, are regulated and carry CE markings and relevant European Safety Certificates.

Based in Lancashire, we hold significant stocks within our warehouse to cater for all customer requirements.

Always focussing on customer needs, we try to introduce changes in our products in view of research and development and strive to maximise comfort and efficiency.

We have our own Quality Control Team based within our factories and pride ourselves on ensuring the highest standards of quality and service are met, while at the same time offering competitive prices.

# Size Guide

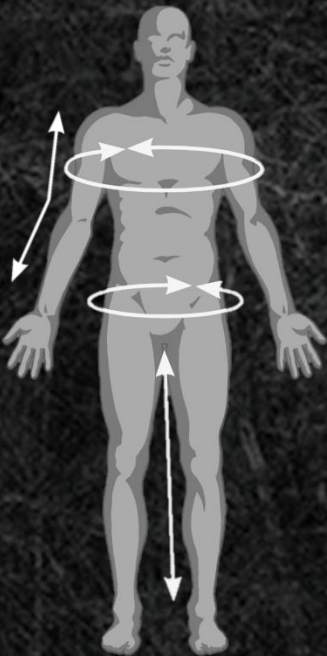

**Sleeve** – With your arms slightly bent, take the measurement from the centre of the back of your neck, along the length of your arm to the wrist.

**Chest** - Place the tape high up under the arms and make sure that the tape is well up at the back across the shoulder blades.

**Waist** – Measure your waist at your narrowest part.

**Hip** – Measure your hip at the widest part.

**Inside Leg** – Measure from your groin area to your ankle from a standing position.
